The following video interview with Prof. Michel Chossudovsky pertains to the Confidential Pfizer Report released as part of a Freedom of Information (FOI) procedure.

The report is a bombshell. The vaccine was launched in mid-December 2020. By the end of February 2021, "Pfizer had already received more than 1,200 reports of deaths allegedly caused by the vaccine and tens of thousands of reported adverse events, including 23 cases of spontaneous abortions out of 270 pregnancies and more than 2,000 reports of cardiac disorders."

This Confidential Pfizer Report provides data on deaths and adverse events recorded by Pfizer from the outset of the vaccine project in December 2020 to the end of February 2021, namely a very short period (at most two and a half months).

The data from mid-December 2020 to the end of February 2021 unequivocally confirms "Manslaughter". Based on the evidence, Pfizer had the responsibility to immediately cancel and withdraw the "vaccine".

Pfizer's Worldwide marketing of the Covid-19 Vaccine beyond February 28th, 2021, is no longer an "Act of Manslaughter".

Murder as opposed to Manslaughter implies "Criminal Intent".

Pfizer's Covid 19 Vaccine constitutes a Criminal Act. From a legal standpoint it is an "Act of Murder" applied Worldwide to a target population of 8 billion people.

What is contained in Pfizer's "confidential" report is detailed evidence on the impacts of the "vaccine" on mortality and morbidity. This data which emanates from the "Horse's Mouth" can now be used to confront as well formulate legal procedures against Big Pharma, the governments, the WHO and the media.

Can we trust a Big Pharma vaccine conglomerate which pleaded guilty to criminal charges by the [US Department of Justice \(DoJ\)](#) including “fraudulent marketing” and “felony violation of the Food, Drug and Cosmetic Act”?

National health authorities claim that the Covid-19 “vaccine” will save lives. That’s a lie.

There is a worldwide upward trend of vaccine deaths and injuries. The [official figures](#) (April 3, 2022) point to approximately:

69,053 Covid-19 injection related deaths and 10,997,085 injuries for the EU, US and UK Combined for a population of 830 million people

Based on reported cases. Only a small fraction of the victims or families of the deceased will go through the tedious process of reporting vaccine related deaths and adverse events to the national health authorities. Based on [historical data \(Electronic Support for Public Health-Vaccine Adverse Event Reporting System \(ESP:VAERS, p. 6\):](#)

“Adverse events from drugs and vaccines are common, but underreported. ... less than 0.3% of all adverse drug events and 1-13% of serious events are reported to the Food and Drug Administration (FDA). Likewise, fewer than 1% of vaccine adverse events are reported. (emphasis added)

This Confidential Pfizer Report released as part of a Freedom of Information (FOI) procedure provides data on deaths and adverse events recorded by Pfizer from the outset of the vaccine project in December 2020 to the end of February 2021, namely a very short period (at most two and a half months).

For details of the report, see

[Bombshell Document Dump on Pfizer Vaccine Data](#)

By [Prof Michel Chossudovsky](#), April 29, 2022

The Pfizer BioNTech vaccine was launched in the US [on the 14th of December after the granting of Emergency Use Authorization on December 11, 2020.](#)

In a twisted irony, the data revealed in this “insider report” refutes the official vaccine narrative peddled by the governments and the WHO. It also confirms the analysis of numerous medical doctors and scientists who have revealed the devastating consequences of the mRNA “vaccine”.

What is contained in Pfizer’s “confidential” report is detailed evidence on the impacts of the “vaccine” on mortality and morbidity. This data which emanates from the “Horse’s Mouth” can now be used to confront as well formulate legal procedures against Big Pharma, the governments, the WHO and the media.

*In a Court of Law, the **evidence contained in this Big Pharma confidential report** (coupled with the data on deaths and adverse events compiled by the national authorities in the EU, UK and US) is irrefutable: because it is their data and their estimates and not ours.*

Bear in mind: it’s data which is based on reported and recorded cases, which constitute a small percentage of the actual number of vaccine related

deaths and adverse events.

This is a de facto Mea Culpa on the part of Pfizer. #Yes it is a Killer Vaccine

Pfizer was fully aware that the mRNA vaccine which it is marketing Worldwide would result in a wave of mortality and morbidity. This is tantamount to a crime against humanity on the part of Big Pharma.

Pfizer knew from the outset that it was a killer vaccine.

It is also a Mea Culpa and Treason on the part of corrupt national governments Worldwide which are being threatened and bribed by Big Pharma.

No attempt has been made by the governments to call for the withdrawal of the killer vaccine.

People are told that the vaccine is intended to save lives.
